### What is Mariposa House Hospice?

At Mariposa House Hospice, our goal is to "honour every moment of life" one person at a time. We provide high quality end-of-life palliative care to those in the Orillia area who need our support, while welcoming family and friends. Each person receives the care and emotional support they need in a comfortable, safe, homelike environment where a dedicated team of RNs and PSWs is available 24/7. Our 5-bed residential hospice is supported by a team of volunteers and organizational support staff. A portion of our operating costs are covered by provincial funding, and the rest is covered through donations, fundraising, and grants. We gratefully accept in-memoriam donations, bequests, endowments and stock transfers.

### What is the Butterfly Club?

The Butterfly Club helps to ensure our sustainability through planning giving. Members of the Butterfly Club make recurring donations - sometimes monthly, sometimes quarterly or annually. Each donor receives a charitable tax receipt and is recognized in the reception area of our residential hospice. Examples of planned contributions include the following:

- \$25.00/Month or \$300/once per year
- \$50.00/Month or \$300/twice per year
- \$100.00/Month or \$300/every 3 months
- \$1000 / Every 6 months or \$2000/ once per year
- Or name your own contribution amount / frequency

### Why do we need the Butterfly Club?

All services are provided at no cost to residents and their family and friends. Although a portion of our costs is covered by provincial funding, all costs associated with operating the residential hospice building (for example heat, hydro, food, laundry, etc) are covered through fundraising. The Butterfly Club was created to help cover these operational costs.

**Your pledge donation will be a fundamental component  
to ensuring financial sustainability for  
Mariposa House Hospice.**

*Our Board, Staff and Volunteers offer a heartfelt thanks for  
your contribution.*
